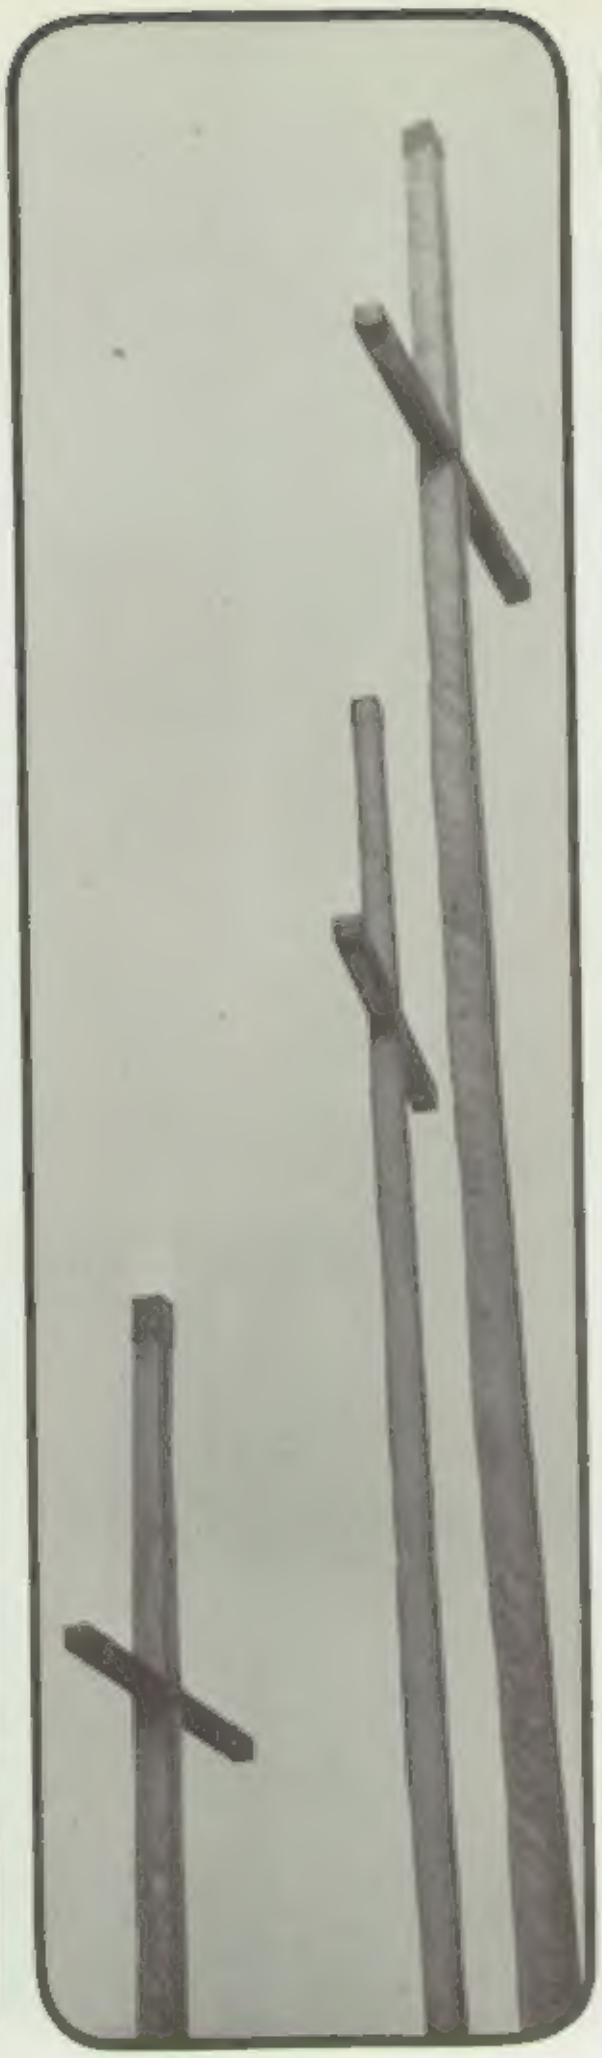
BISHOP CARROLL HIGH SCHOOL



✝✝carrollian75

bishop carroll high school
ebensburg, pennsylvania

We have grown this past year in body, mind, and spirit.
A body of individuals consisting of active people,
who have shared and experienced each other's
hopes, joys, sorrows, and ambitions.
a mind, that will encounter all minds, has matured
to accept the responsibility to take care of
a most precious gift, our fellow man.
a spirit filled with the vitality like that
of a little tot's soul
a spirit such as this has encountered
and enchanted our lives.
it has enabled us to understand ourselves
and our friends.
this spirit is everlasting, but it remains,
that we must now prove ourselves
worthy of it!

— ajs

the 1975 carrollian hopes to show this growth among
us bishop carroll students, a growth in which
we participated, in one way or another.
the yearbook staff is proud to dedicate
the 1975 carrollian to sister mary oliver.
she is a perfect example of a person who has
touched the growth and lives of others.
for this we say thanks!

Vo-Tech 1974-75

It was becoming an official "teacher", and trying to find your way around another school. A place to meet other people and make new friends. Where you found someone else that was interested in mainly the same things as you, but not labeling them as Petty Cambria or Portage Hills, getting books taken away, lunches, a pack of gum and some potato chips. There will be a Vo-Tech meeting . . . . , what class is next . , and change the your clothes or time to hear . . . "Teachers please dismiss your students." Then going back to B.C., where somehow the name so-tech stuck with you, wearing . . . I don't know you went down there . . . It was being part of Bishop Carroll but also being proud of the fact that you know **exactly what you're doing in life.**

Rev. James H. Conrad, STL. Coach of the Girl's Basketball teams, also BCHS Athletic Director and Executive Secretary of PCIAA.

The 1974 Girls Basketball season can be defined only with one word - SUCCESS.

It all began with defeating Ferndale on their home court. Then on to crushing Cambria Heights and the joy of seeing them at the bottom. Our momentum kept increasing as we went on to capture first place in the Portage Tournament and along with it Toth was named MVP and Eckenrode was placed on the all tourney team. Then again, as the team's spirit worked together, we became the Central Western Division Section 3 Champs.

What was it really like? It was Toth breaking her own scoring record, Barbie finding her favorite place on the floor, Kathy's hustle, Doris' "reaching in", Annette's two week vacation and Betsy "the pleasant surprise." And how about the six J.V.'s and our first Freshman team? Then there was Fr. Conrad's security towel, without it who knows what would have happened.

As the season ended, we couldn't ask for more. We could only offer thanks to Fr. Conrad, for without him our victories (and defeats) wouldn't be as meaningful.

In the days of old, in the days, of gold, in the autumn of '74 there was this crazy bunch of kids, see. And they sweated together see. And they lost together, won together, got soaked in the rain together. And they ran together, and ran together, and ran together.

They were called the B.C.H.S. Cross Country team.

Dirty Dan left us with our first win which we all celebrated well, and with a sense of pride, and also some blisters, aches, and pains to remember him with. Our new coach, Little Michael we don't like so much, but only because he found our favorite **hiding places.**

We were, we are, we always will be, the B.C. Cross Country team of 1974. What legs! What laughs!! What hearts!!!

	*Boswell Tournament	

The season was many things. It was composing songs on the bus ride from Pittsburgh. It was putting it to Penn Cambria twice. It was McNulty's balance beam talent at Vo-Tech. It was Bess, "Sir, do you mind if I go in." It was Maggsy gettin' tossed at B-town. It was Felix startin' the season late, and ending it early. It was Brad making the All-Tourney Team. It was, "new coach + new D = JV success." It was Felix "biting the court" at Homer Center. It was a, "We love you Larry M." sign from the North Star cheerleaders. It was a Spider, a Gazette, and a Baby Bird on the JV's. It was Nev "encouraging" the refs. It was sweat, contusions and Charlie horses. It was including guys and coaches into something called a team. Finally, it was satisfaction and fun.

1975 WRESTLING WAS . . .

An additional coach with a six minute drill. The loss of a few returning lettermen for various reasons: a sink, an ulcer, a concussion or just because they weren't tough enough. However, there were replacements who did a good job. A shutout over Conemaugh Valley. A letdown in the Christmas Tournament. Boot camp after a loss to Moshannon Valley. Three consecutive big victories. Bolger in the lineup at Blairsville and afterwards his hair on locker room floor. The K.O. and poor ref against Vo-Tech. Skomra's super statistical system that rated wrestlers. Our fourth straight winning season. And our debut in PIAA competition.

band

Band camp was a thrilling introduction to school and the football season. The last two weeks of summer vacation were spent marching around the school and "playing" - regardless of the weather.

Football season was full of pep rallies, half-time shows, playing in the stands, and cheering. The bus rides were often highlighted by renditions of the B.S. of Y. Victory Song and Alma Mater. Senior Night was highlighted by rain.

After football season the band and color guard took second place in the Johnstown Halloween Parade. We really "hammed it up," dressed as vaudevillians and playing "The Entertainer." Next was the Christmas Program which was performed for the Ebensburg State School, several elementary schools, and the student body at B.C.

The rest of the year was mostly devoted to working on the final and most important event, the Spring Concert.

We, the seniors, would like to thank all of the individuals that comprise Bishop Carroll. We have truly lived here, growing through the happiness and adversity that we met. We have taken much from Bishop Carroll, and it is right that we leave now. We only hope that we have contributed to the growth of Bishop Carroll as much as it has contributed to ours.
